

Department Chair of Psychiatry

Billings, MT – Billings Clinic seeks an experienced psychiatrist with demonstrated leadership capabilities to serve as its next Chair, Department of Psychiatry. Billings Clinic is a recognized regional leader in the provision of comprehensive psychiatric care for Montana, Northern Wyoming and the Western Dakotas. The Chair will have the opportunity to shape the future for psychiatric services at Billings Clinic, meeting the needs of adults and youths of the communities they serve.

Billings Clinic is a leading not-for-profit healthcare organization that serves an extensive region covering much of Montana, Northern Wyoming, and the Western Dakotas. The physician-led organization includes an integrated multi-specialty group practice, 304-bed hospital, multispecialty clinic, and large ambulatory network. Billings Clinic Psychiatric Services provide the largest psychiatric inpatient hospital unit and adult and youth behavioral clinic in Montana. Billings Clinic is one of Montana's largest employers with approximately 4,700 staff, including more than 550 physicians and advanced practitioners, offering more than 50 specialties.

The Chair will oversee the Department and its clinical entities through effective leadership to advance the breadth and the depth of clinical programs. The Chair, in collaboration with their dyad partner and Billings Clinic senior leadership team, will strategize to foster innovative care delivery models and viable approaches to enhance access, improve overall quality and safety, as well as elevate a connected patient experience. We seek candidates with prior psychiatric leadership experience, outstanding interpersonal and communication skills complementing a passion for excellence and achievement.
